The above task was assigned to the undersigned on 17 February 2026 as the Election/Returning Officer (Enclosed as Annexure-I). Subsequently, I submitted a schedule after discussion on 02 June 2026 (Enclosed as Annexure-II). The schedule was followed with utmost sincerity by the electoral office under the supervision of the Returning Officer. Election notice was put on display on the ZSF website on 12 June 2026 with last date to receive nominations as 22 June 2026. As there were no withdrawals within the specified time period, the final list of nominations for the Chairmanship and five Governing Council Members for 2026-2027 was uploaded on the ZSF website on 07 July 2026 for display (Enclosed as Annexure-III). The election was conducted today in hybrid mode as per the schedule on 14 July 2026 at the ZSF building being attended by 7 persons including the undersigned (Copy enclosed) and 12 persons online (Screenshot enclosed). By the end of the meeting i.e. 13:00 hrs, the five nominations were declared as the newly elected Chairman and four Members (copy enclosed).
