

Guideline for Nomination

1. The nomination form will be considered as valid only if all the necessary information asked for, is filled in at the appropriate places, and if it is duly signed, and dated by the proposer, seconder and the proposed candidate. The details of the candidate, proposer and seconder in nomination form must be as per the final updated members/ voters list.

2. If a member proposes and / or seconds nominations of two candidates for the same post, all such nominations will be treated as invalid and will not be processed further.

3. A candidate can file separate nominations for different positions. However, such candidates with nominations for multiple posts should ensure that on the deadline for withdrawal they have opted for only one post.

4. If the number of valid nominations received by the election officer is equal to the seats to be elected, all such nominated candidates will be declared as elected to their respective positions.

5. If the number of valid nominations is more than the number of positions to be elected from that category, then the election will be conducted.

Note: In matters of dispute, decision of Election Officer shall be final.
